The Moss Owners Club consists of people from all walks of life and all age groups, who have a common interest in cars in general and cars designed by John Cowperthwaite specifically. For an annual subscription fee you will receive regular newsletters with information on our cars and the Club. You will be notified of forthcoming events and be able to receive invaluable advice from other owners and builders who will have already solved many of the problems you are likely to meet. Membership also entitles you to place sales advertisements relating to Moss cars and parts on our web pages without charge. This privilege is offered to all members but is subject

to review should any specific advertisement be considered offensive or detrimental to the club. You will receive a membership card and be included in the club member directory which is available to members only from our web site. We want all Moss owners and enthusiasts to enjoy the club wherever they happen to be in the world.

**Subscription amounts:**  
Membership is £10.00 per year. If you are not able to send a cheque for £10.00 GBP we can accept membership applications online and subscription payments via Paypal from our web site at [www.mossownersclub.org.uk](http://www.mossownersclub.org.uk)

The information you supply below will form your record in the Moss Owners Club membership list. It stays on the Moss Owners records and will never be used outside the Moss Owners Club. Please use the name you prefer to be known by on the form eg. If you are 'William' but prefer 'Bill' then write 'Bill'. Your address in the members directory will show only your country or your UK county and does not include a post/zip code. If you do not want anyone to contact you on your mobile or telephone please leave these blank. The newsletter will be sent to your email address if you have one or the address shown if you do not have email.
